ABOUT US

We are Hayden and Aaron Hall and we sold everything we owned to travel the US in an RV. Our goals are to visit every state and every National Park before we head south into Mexico and Central America. We love to highlight amazing outdoor adventures as well as delicious vegan food that we find. We don't ever plan to settle down and want to see as much of the world as we can.

BLOG STATISTICS

We write blog posts about our adventures in each location that we visit, with post titles like "Top 7 Things To Do in Charleston, SC" or "The Best Vegan Buffalo Wings in the US." We love to share our adventures and vegan food experiences with our readers to encourage them to get out there and travel or to explore the city they already live in. We also want people to know that it's easier than ever to go vegan and there is amazing vegan food to be found all over this country.

"Travel is fatal to prejudice, bigotry, and narrow-mindedness."
- Mark Twain
